

Fundación Carnaval de Barranquilla, an organization that, in the exercise of its missionary purpose, manages plans, programs and projects for the protection and safeguarding of craftsmanship as a creative manifestation par excellence of the Carnival of Barranquilla, Intangible Cultural Heritage of Humanity (UNESCO 2003),

CERTIFY THAT:

The Industrial and Port District of Barranquilla - Barranquilla City Hall, has participated projects whose objective has been to value and strengthen the artisanal sector in Barranquilla as the main center of operations in the Department of Atlántico, addressing lines of social development, knowledge management, design, production and distribution of products made by hand.

The result of this public-private partnership has been, among others, the creation of the brand "CARNAVAL HECHO A MANO" and documented training processes such as Memoirs of Profession: "Carving of Masks in wood of the Carnival of Barranquilla" and "Molding of masks in role of the Carnival of Barranquilla"

Fundación Carnaval de Barranquilla knows about the nomination of the City of Barranquilla to the Creative Cities Network of UNESCO 2021 and has participated in the process of construction of the same, therefore the entity is willing to support the plans presented for the consolidation and strengthening of the sector of Crafts and Folk Art.

This certification is issued to process the application process of the city of Barranquilla to the Network of Creative Cities of UNESCO, in Barranquilla, on the ten (10) days of the month of May 2021.
